## Meet Jackie Natt ....

My name is Jackie Natt and I became involved with Encounters in 2001 when I heard Roland Sokalowski (the previous schools worker) speak at a meeting.
Having been a teacher for many years, I was aware of the need for better education of social skills in secondary schools especially when dealing with illegal drugs and alcohol. After some training with Hope UK, I started presenting talks in schools with Alan Earwaker.
I also joined the Encounters Management committee as St Mary's representative.
Now, some 6 years later, Alan and I go into all the secondary schools in the Redhill/Reigate area and also some colleges. We give talks on the dangers of smoking, alcohol abuse and illegal drugs.
We are not allowed to discuss Christianity in these talks, however our faith is the basis of all our presentations and our commitment to Christ's teachings is our fundamental inspiration.
